The Office communication dated May 19, 2005, requires election of a single species from among the following species:

Species 2 - Figure 3

Species 3 - Figure 4

Species 4 - Figure 7

Species 5 - Figure 9

Applicants hereby elect, with traverse, Species 1 - Figure 2, and submit that claims 3-5, 7-9, 11-16, 20, 26, 28-31, 33, 35, 52-55 and 62 read on the elected species. The remaining non-canceled claims have been withdrawn from consideration.

Applicants traverse the election requirement on the grounds that there is no serious burden on the Examiner to examine the claims absent an election. The Examiner has carried out no less than three examinations of the present application, and the subject matter from which the Examiner is now requiring an election has been in front of the Examiner throughout the three examinations.
